# BJ's Charitable Foundation® Quarterly Grants 2009

Every day, BJ's Charitable Foundation provides local nonprofit organizations with the funding they need to promote healthy, happy and stable communities.

Since it first opened in 2005, BJ's Charitable Foundation has given more than \$9.4 million to over 900 community organizations. Grants disbursed in our Quarterly Review Program support efforts in education, health, hunger prevention and self-sufficiency for children and families. We're striving to make a difference in their communities and to help them grow and thrive well into the future. To learn how your organization can apply for a quarterly grant, visit [www.bjs.com/charity](http://www.bjs.com/charity) today.
