

HELPING EVERY STUDENT STRIVE

Many classrooms across the country face shortages in funding. That's why helping students get a proper education is one of our main priorities at BJ's. Through various efforts, including BJ's Adopt-A-School Program and our recent grant to DonorsChoose.org, we're providing schools with support to enhance programs and curriculum objectives. To learn more, go to BJs.com/school.

DonorsChoose.org makes it easy for anyone to help classrooms in need.

HERE'S HOW IT WORKS: Public school teachers from across America post project requests at DonorsChoose.org for materials they need like books, art supplies, software, the list is long! Donors are people just like you and companies like us — people interested in supporting education, who search the site and give to the project that inspires them most.

When a project reaches its funding goal, the materials are shipped to the school — and donors receive photos of the project and a letter from the teacher.

BJ's Charitable Foundation is proud to partner with DonorsChoose.org to help teachers and provide classroom funding to schools in the communities we serve.

If you're interested in making a donation or if you're a teacher who would like to post a project, please visit DonorsChoose.org.

.....
Mrs. Katz's classroom needed a clean, new rug for group instruction.

"We were so excited when our new rug arrived that we had to unroll it right away! My students hop from letter to letter singing the ABC song. Our new rug is a great addition to our classroom and is something that we use every day, all day. Thank you again!"

— Mrs. Katz

We're Collaborating with DonorsChoose.org

..... to make it possible

for teachers  across America

to acquire much-needed learning materials

to help keep students  motivated and inspired

to be their best in nurturing and supportive classrooms.

SUBJECTS

So far, these subjects are getting an A+ with our schools:
