

# NORTON™ SECURITY PREMIUM

Our best protection for your family of PCs, Macs, smartphones and tablets

Norton Security Premium protects your whole family of up to 10 devices—and the people who use them. Safeguard account numbers and photos on your PCs and Macs, contacts on your smartphones and private data on your tablets from criminals trying to gain access to them. It's all backed by our unique 100% guarantee.\* Plus, help protect your children from unsafe content and guard against oversharing.

## WHY SHOULD YOU CHOOSE NORTON?

### EASY-TO-USE SERVICE

Quickly install and easily manage protection for all your devices with a single subscription.

### UNRIVALED PERFORMANCE

Proven to be the fastest, lightest, most accurate protection technology time and again.

### SUPERIOR TECHNOLOGY

Leverages the power of the world's largest threat intelligence network to keep you and your identity safe.

### GUARANTEED PROTECTION

Only Norton guarantees we'll help keep you virus-free, or we'll give you a refund.

# The Norton Story: Nobody Else Comes Close

## **We see more, analyze more and stop more online threats.**

- Norton leverages our global threat intelligence to track down and eliminate threats—even brand new ones.
- Our teams of security experts are constantly analyzing new threats and devising new ways to protect your devices from them.

## **We focus exclusively on security, and we're the best at what we do.**

- Only Norton has won PC Magazine Editors' Choice Award 34 times, including 11 years in a row – more than any other security company.

## **Our multi-device protection helps keeps your data safe, wherever it is.**

- Your personal information is in multiple places. Keep it private across all of them.
- One easy solution protects your devices—computers, smartphones, tablets—on Windows®, Mac®, Android™ and iOS – including the new Windows 10 operating system.

## **We make it easy to back up your important information.**

- Automatically finds photos, music, movies and other important files on your PC and stores them in the cloud to protect against hard drive crashes or ransomware.
- Comes with 25GB of secure cloud storage with the ability to add more, anytime.

## **We help you protect your kids online so they can explore safely.**

- Includes all the advanced features of Norton Family Premier.
- Protects your kids from oversharing, and balances time spent on their devices.

## **We include a protection promise only Norton can make.**

- Norton offers a 100% guarantee: If you get a virus our Norton experts cannot remove, we'll give you a refund.\*
