PRODUCT RECALL NOTICE
URGENT

Date: November 11, 2021

To: Kraft Heinz Customers

From: Cory Onell, President Kraft Heinz US Sales

Re: Recall Notice: Approximately 58,000 cases of select code dates of *Country Time* Lemonade and *Kool-Aid* powdered beverages

Out of an abundance of caution, approximately 58,000 cases of select code dates of *Country Time* Lemonade and limited *Kool-Aid* powdered beverages with “Best When Used By” dates noted in the table below are being voluntarily recalled due to the potential presence of foreign material, specifically very small pieces of metal or glass, that may have been introduced during production.

The company discovered the issue during an internal review at the manufacturing facility. There have been no consumer complaints and no reports of illness or injury related to this issue to date.

No other sizes, varieties or code dates of *Country Time* Lemonade, *Kool-Aid* or other powdered beverages are included in this recall.
