Give and Go Prepared Foods (U.S.A.) Corp. Conducts Voluntary Recall of Certain Muffin Products Due to Possible Health Risk

Shirley, New York – July 19, 2021 – Give and Go Prepared Foods (U.S.A.) Corp. announced today a voluntary nationwide recall of certain muffin products due to the potential for the products to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

This recall is **limited solely to the products** listed below, which have been sold in retail stores nationwide. No other *Give & Go* products are affected, and this recall does not affect products in countries other than the United States.

The product being recalled is the following:
