RE: Frozen PERDUE® Gluten Free Chicken Breast Tenders - Food Safety Action

Dear Valued Member,

The purpose of this letter is to inform you of a food safety action we are taking with a product that you may have purchased.

What: Frozen PERDUE® Gluten Free Chicken Breast Tenders with a UPC Bar Code of **0-72745-83492-9** (See label below)

When: This specific product was **ONLY** available July 18, 2022 through August 18, 2022. Our records indicate that you may have purchased the product with a UPC Bar Code of **0-72745-83492-9**.

Why: Food safety is of primary importance to our team and our supply partners. Working together we identified foreign material in a minimal amount of consumer packages. Out of an abundance of caution, we decided to take immediate action to remove all the affected product from distribution.

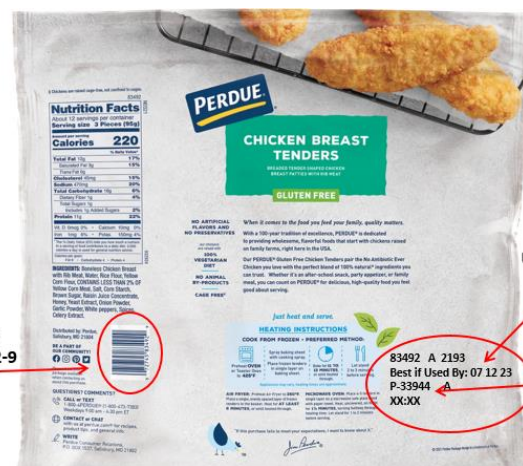

What to do: If the "Best if Used By Date" on the package indicates 07/12/23 do not use this product and call 1-866-866-3703 for further instruction.

There have been no reports of injury associated with the consumption of this product.

If you have questions: call 1-866-866-3703, or email www.perdue.com/connect-with-us/. We apologize for this inconvenience.
