IMPORTANT RECALL NOTICE

In cooperation with the U.S. Consumer Product Safety Commission, Walker Edison is voluntarily recalling certain Twin Over Twin Bunk Beds. The wooden slats supporting the bunk beds can break while in-use, posing fall and impact hazards. Walker Edison has received reports of 14 incidents of the slats breaking, including one report of minor injuries.

Consumers should immediately stop using the recalled bunk beds and contact Walker Edison Furniture to receive a free repair kit with 12 wooden slats and new instructions. The upgrade/repair kit enhances the safety and security of the original 7 wooden slat design and provides enhanced stability.

Consumers who purchased bunk beds before March 2022 are eligible for this remedy.

Qualifying products eligible for a free upgrade/repair kit with proof of purchase are:
