May 23, 2025

Dear BJ's Wholesale Club Member,

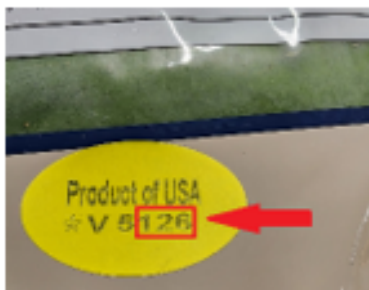

Bedner Growers, Inc. has issued a recall of the following item due to potential salmonella contamination:

- Wellsley Farms Cucumber, 3ct. article# 97910

Our records indicate that you may have purchased the recalled item between May 9, [2025](#) and May 21, 2025, with pack dates reflected as the following:

- 126
- 127
- 128
- 132

For reference, see below for pack date reference number location:

Members who have purchased the recalled item are asked to immediately discard the item and not consume. Please do not return the item to BJ's Wholesale Club.

If you would like a refund for the product, please contact the vendor, at 800-349-6639.

Rest assured that the health of all our members is a top priority, and we are diligently working on addressing this issue to maintain the quality you expect from our products.

Sincerely,

BJ's Wholesale Club, Inc.
